## SUMMIT SKI SAFARI - PRIVATE TOURS

Book a private tour to explore the bountiful snow resorts of Hokkaido. Whether it's still grasping the basics of skiing or you're eager to explore the hidden corners in iconic powder famous resorts, our instructors and guides will show you the best terrain for the experience you deserve.

### Duration

Customisable to clients requirements.  
We recommend using an itinerary based on our other tours.

### Dates

Available all season.

### Price

¥80,000 per guided day, per person

### Terrain

Beginner slopes to backcountry terrain

### Ability

**Private Tours:** Minimum of 2 people. Whether you are a first timer or a seasoned pro, Summit instructors and guides know these mountains like the back of their hands. Put your trust in us and we will ensure that regardless of your level we will help you develop your riding whilst exploring these new and exciting resorts. If you are starting your tour in furano it is possible to do the itinerary in the opposite order. For different level guests in the same private tour we may suggest a second instructor. This will be an additional cost and subject to availability. Please contact us to discuss this further.

### 6 day Itinerary Example

**Day 1** - Pick up from Chitose Airport and relax as you drive through the snowy mountain passes until your arrival in the worlds number 1 powder Mecca- Niseko. Check in to your accommodation, get settled in. 7pm briefing on the trip.

**Day 2** - Niseko is famous for its powder snow so regardless if you are on or off the pistes, you will be surrounded by the wonderful giant snowflakes. Let's warm up those ski muscles as you follow your instructor and learn some techniques to bush up on those riding skills ([Transfer to Rusutsu](#))

**Day 3** - Rusutsu could be your next destination. And why not ? With a variety of slopes, this resort is an ideal place to keep progressing and build confidence with your instructor. Also known for its mogul lines and tree runs, rusutsu has some great terrain for the more advanced and technical riders ([Transfer to Furano](#))

**Day 4** - Lets ski in Asahikawa's home resort. You pretty much guaranteed Kamui Ski Links to yourself. This resort boasts wide open slopes and is great progression terrain with options for all levels. ([Stay in Furano](#))

**Day 5** - Furano is the belly button of Hokkaido, and here the mountains get taller and more exciting. Your progress over the last few days will have exceeded your skills and you can take on some steeper terrain with the guidance of your instructor. A well deserved onsen is on the cards for tonight. ([Stay in Furano](#))

**Day 6** - Clients have the option to continue the tour for more days or return to Chitose or Niseko after breakfast. Number of days will need to be decided before booking the tour.

## Accommodation

You will be staying in hotels close to each ski resort and within walking distance to restaurants/bars/convenience stores. Rooms are shared twin bed rooms. If you would like to upgrade to single rooms for an additional charge, please enquire for more details.

## Ski and Snowboard equipment

All mountain/powder skis and snowboards will be needed for this trip. For skis we recommend a minimum of 100 underfoot. As all terrain is lift assisted there will be no need for backcountry touring equipment. If you are riding powder terrain, Avalanche safety equipment will be essential. For more information on equipment rental please contact us for details.

## Safety

Weather forecasts and snow conditions will be checked regularly by our guides and instructors. Safety evaluation based on these factors will be given each morning at breakfast before heading to the resort. In the case of bad weather conditions there may be the possibility to explore an alternative close by resort or spend 2 days at one of the above mentioned resorts if the weather permits.
